## Environmental & Social Sustainability Policy

Langham Place, Guangzhou is committed to achieve best practice environmental and social sustainability and has partnered with EarthCheck, the world's leading Benchmarking and Certification provider

Langham Place, Guangzhou is located adjacent to the Guangzhou International Convention and Exhibition Centre, and offers easy access to nearby transportation stations and a host of city hotspots. Exemplifying modern arts with cutting-edge design, the hotel consists of 499 stylish and contemporary guestrooms with an expansive cityscape and views of the Pearl River. The hotel offers discerning travelers elegant hospitality, luxurious accommodation, extensive catering and meeting facilities spanning over 5,000 sq. m, five restaurant and bars, the best fitness center and signature Chuan Spa

At Langham Place, Guangzhou we recognize that the activities in our hotel have the potential of a negative impact on environment and community if not properly managed. So we have implemented an Environment Management System that meets the requirements of the EarthCheck Company Standards. Langham Place, Guangzhou is committed to mitigate the potential environmental and social impact associated with operation of hotel in environmentally sustainable manner. Our hotel is committed to constant improvement with the measurement of annual Benchmarking Assessment. Management Team of Langham Place, Guangzhou strives forward to minimizing our footprint on the environment by implementing sustainable initiatives aimed to improve the hotel performance, to reduce energy and water consumption and the emission of greenhouse gases as well as the production of waste.

Langham Place, Guangzhou will comply with all relevant legislation and regulations and aims to achieve interactional best practice.

We have appointed our Director of Engineering as the EarthCheck coordinator, who has the responsibility to improve the hotel's sustainable performance, to drive the environmental programs and to lead the EarthCheck Committee.

We will prefer to hire local employees and develop their skills. We will source and purchase sustainable products and services locally with applying the Fair Trade principles in priority.

We encourage our colleagues to present our commitment to environmental and social sustainability to all key stakeholders including guests, suppliers and contractors.

Forest Sun

General Manager
